Above is a picture of our standard inside screen for our 8930 series patio door. We also offer the Genius® screen (accordion style hideaway) which is retractable and is available on all of our patio doors, up to 16'. This is ideal for our pocket patio door configurations. The Genius® screen would be ordered after your doors are installed. For more information on Genius® screens just visit <http://www.cws.cc/screen> or use the QR code to the right.

Certified To Meet or Exceed Expectations

CWD Patio doors are AAMA and NFRC certified, and are compliant with ENERGY STAR® and Green Building standards when ordered as a vinyl track and vinyl panel with LoE 366. The features listed throughout this brochure helps satisfy LEED™ credits.

Qualifications

All of CWD's patio doors come with tandem, self-leveling ball bearing rollers, and dual weatherstripping which provides an energy efficient, weather-tight seal. They also are provided with 1" tempered glass (Impact or Non-Impact.)

See our Product Offering sheet for additional ratings and configurations.

SERIES 8900 (PATIO DOOR)

Designed and built to last a lifetime with reliable performance. Constructed with weather resistant vinyl frame and panels.

PANELS: Up to 4' x 8'

FRAME COLOR: White, Adobe or Two-Tone Bronze

CONFIGURATIONS: XO-OX-OXO-OXXO-
OOX-XOO-OOXXOO

Technical Data

Non-Impact	MAX DP	Frame Type
192" x 96" (HVHZ)	+60/-60	OXXO, 1" IG (3/16" T)

Impact	MAX DP	Frame Type
71 1/2" x 79 1/2" (HVHZ)	+60/-60	XO, PVB
192" x 96" (HVHZ)	+60/-60	OXXO, SGP

SERIES 8930 (PATIO DOOR)

This door has been constructed with a vinyl interlock and weather resistant vinyl frame and panels. The frame is a two track system with a unique inside screen design that protects against the damaging effects of coastal weather and is ideal for multi-story designs or units. Also, with a modular outer frame, customers can choose to leave the screen track off for a 5 1/4" track depth.

PANELS: Up to 4' x 8'

FRAME COLOR: White, Adobe or Two-Tone Bronze

CONFIGURATIONS: XO-OX-OXO-OXXO-
OOX-XOO-OOXXOO

Technical Data

Non-Impact	MAX DP	Frame Type
192" x 96" (HVHZ)	+60/-60	OXXO, 1" IG (3/16" T)

Impact	MAX DP	Frame Type
71 1/2" x 79 1/2" (HVHZ)	+60/-60	XO, PVB
192" x 96" (HVHZ)	+60/-60	OXXO, SGP

SERIES 8940 (PATIO DOOR)

This door was designed with an unlimited number of tracks which is why we call it our infinity track door. It has been constructed with a heavy-duty aluminum interlock and weather resistant vinyl frame and panels. It has an inside screen which protects against the damaging effects of coastal weather and reduces the need to clean the screen. Also, with a modular outer frame, customers can choose to leave the screen track off for a 5 1/4" track depth.

PANELS: Up to 4' x 8'

FRAME COLOR: White, Adobe or Two-Tone Bronze

CONFIGURATIONS: By Pass or Pocket (Any configuration up to 8 panels.)

Technical Data

Non-Impact	MAX DP	Frame Type
192" x 96" (ASTM)	+70/-70	PXXX

Impact	MAX DP	Frame Type
